

Magnetic track

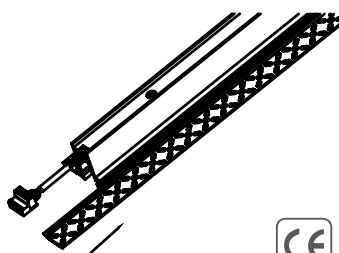

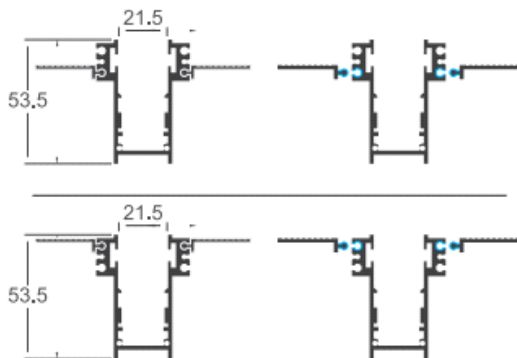

Product Features

- Commercial grade quality and design
- Long life span with low power consumption
- Magnetic track

Technical Specification

Model	603010-BK-1M/603010-BK-2M
Size	1000*85*55mm/2000*85*55mm
Lifepan	30,000hours
IP Grade	20
Input Voltage	DC48V
Material	Aluminum
Housing Colour	Black,White
Installation method:	Plastered embedded
