

LED DOWNLIGHT

Product Features

- Made of die-casting.
- Powder coating finish from AkzoNobel.
- Interchangeable faceplate with magnetic design.
- 3-CCT changeable.
- Compatible with leading and trailing edge phase cut dimmers.
- 3-year guarantee.

Use the pre-set switch to set color temperature before installation.

Technical Specification

Model	3A-DL51 TC
Watts	5W
Input Voltage	AC200-240V
Power Factor	0.85
Colour Temp.	3000K-4000K-5000K
CRI	90+
Lumens Output	296-329lm
Size	Ø55mm*H40.6mm(Round) L55mm*D55mm*H40.6mm(Square)
IP Grade	IP54
Fitting Color	Black/White/Satin Chrome
Beam Angle	36°
Cut out	Ø45mm
Material	Die-cast Aluminium with RA.90004
