

## IP67 Triac Dimmable LED Driver DC24V 100W

### Technical Specification

|                       |                                                          |
|-----------------------|----------------------------------------------------------|
| Model                 | OTM-TDW100-24 V                                          |
| Rated Power           | 100W                                                     |
| Input Voltage         | 85-265Vac                                                |
| Output Voltage        | 24Vdc                                                    |
| Output Current        | 4.17A                                                    |
| Power Factor          | >0.95                                                    |
| Efficiency            | 89%                                                      |
| Protection            | Protection:Short Circuit/Over Loading/Over Current/ Over |
| Working Temperature   | -40 ~ +60                                                |
| Storage TEMP Humidity | -40 ~ +80 , 10 ~ 95%RH                                   |
| Dimensions            | 170*61*38mm                                              |
| Certificate           | SAA RCM                                                  |
