

10W LED Downlight

Product Features

- Deep recessed anti-glare design UGR<19
- Commercial grade quality and design
- Made with LM80 certified SMD chips
- Long life-span with low power consumption
- Include remote triac dimmable and flicker free led driver and Australian plug
- Twist-to-lock different cover options
- 3 years warranty

Technical Specification

Model	DL9414-BG5C10S03
Watts	10W
Input Voltage	AC 200-240V 50/60Hz
LED Chip	SMD LED
SDCM	<6
Colour Temp.	5-CCT: 2700-3000-4000-5000-6500K
Lumens Output	750-900lm
CRI	Ra>90
Beam Angle	60°
Size	φ100x54mm
Cutout	90mm
Power Factor	> 0.9
Dimmable	Triac dimming, flicker free, C-bus2 compatible
IP Grade	IP54 (front)
UGR	<19
Housing Colour	Bright Gold
Packing	30PCS/CTN
Carton Size	36*27.5*37CM
