

Power and CCT Selectable LED High Bay

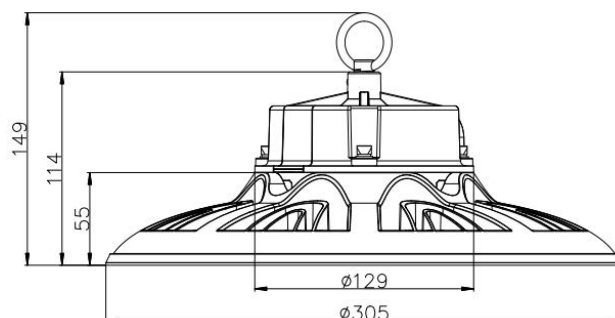

Product Features

- High efficiency 150lm/W
- Made with Dual color SMD LED chips
- Power adjustable
- Waterproof IP65
- With separate driver and Australian standard plug
- Options: milky reflector aluminum reflector SUS304 chain, U-Bracket
- Microwave Sensor with ZHAGA Socket

Technical Specification

Model	HB-A-VT-200W
Watts	200W/150W/120W(Power Adjustable)
Input Voltage	AC220-240V 50/60Hz
Colour Temp.	5000K
Lumens Output	30000lm @200W, 23250lm@150W, 16000lm@100W(±5%)
CRI	Ra>80
Beam Angle	120°
Size	305*149mm
IP Grade	IP 65
Dimmable	YES
Housing Colour	Black
Carton Size	345*345*188mm 1pcs/CTN
