

## IP20 LED Driver DC12V 40W

### Technical Specification

|                       |                                                          |
|-----------------------|----------------------------------------------------------|
| Model                 | OTM-SS40-12 V                                            |
| Rated Power           | 40W                                                      |
| Input Voltage         | 180-240Vac                                               |
| Output Voltage        | 12Vdc                                                    |
| Output Current        | 3.33A                                                    |
| Power Factor          | >0.9 Flicker Free                                        |
| Efficiency            | 86%                                                      |
| Protection            | Protection:Short Circuit/Over Loading/Over Current/ Over |
| Working Temperature   | -40 ~ +60                                                |
| Storage TEMP Humidity | -40 ~ +80 , 10 ~ 95%RH                                   |
| Dimensions            | 159*59*18mm                                              |
| Certificate           | SAA RCM                                                  |

(unit:mm)
