

## IP67 Waterproof LED Driver DC12V 100W

### Technical Specification

|                       |                                                          |
|-----------------------|----------------------------------------------------------|
| Model                 | OTM-W100-12 V                                            |
| Rated Power           | 100W                                                     |
| Input Voltage         | 85-265Vac                                                |
| Output Voltage        | 12Vdc                                                    |
| Output Current        | 8.33A                                                    |
| Power Factor          | >0.95 Flicker Free                                       |
| Efficiency            | 89%                                                      |
| Protection            | Protection:Short Circuit/Over Loading/Over Current/ Over |
| Working Temperature   | -40~+60                                                  |
| Storage TEMP Humidity | -40~+80, 10~95%RH                                        |
| Dimensions            | 186*68*39mm                                              |
| Certificate           | SAA RCM                                                  |

(unit:mm)
