

AVIOR 10W DOWNLIGHT

Product Features

- Cast aluminum lamp body, excellent heat dissipation, IC-4 Rated
- Commercial grade quality and design
- Made with LM-80 certified COB LED chips
- Long life-span with low power consumption
- The bracket mechanism ensures optimum tilting function 60° (-15°~ +45°) and rotating 340°
- With remote triac dimmable and flicker free led driver and Australian flex & plug
- 5-Colour switchable
- 3years warranty

Cut-out: 90mm

Technical Specification

Model	DL05-WH5C10C0290	DL05-BK5C10C0290
Watts	10W	
Input Voltage	AC 240V 50/60Hz	
LED Chip	COB LED	
Colour Temp.	5CCT: 2700K-3000K-4000K-5000K-6500K	
Lumens Output	750-950lm	
CRI	Ra>90	
Beam Angle	40°	
Size	ø102* H80mm	
Cutout	ø90mm	
IP Grade	IP20	
Dimmable	Yes, triac dimming and flicker free	
Housing Colour	White	Black
Packing	30PCS/CTN	
Carton Size	62x25.5x30.5CM
